

Simply the Best

- The TDS Nomad has everything wanted in an outdoor rugged handheld. In addition to integrated Bluetooth, GPS and WLAN, the Nomad is available with built-in digital camera and bar code scanner.
- As a true outdoor rugged handheld, the Nomad meets the rigorous MIL-STD-810F military standard for drops, vibration, humidity, altitude and extreme temperatures. Nomad is IP67 rated, which means that it is completely sealed against dust and water.
- Nomad comes with a powerful 806 MHz Marvell PXA320 XScale processor, 128 MB DDR SDRAM, a choice of 512 MB or 1 GB of Flash memory. It has a hot-swappable Lithium Ion battery that can work all day without a recharge.
- The Nomad also includes the latest Windows Mobile 6 software, so it runs all the applications you use most, including a wide range of third-party software for industry-specific applications.
