

Recon 'X' Series

A jobs too tough without one

- The TDS Recon™ from Tripod Data Systems™ delivers maximum performance and reliability in a lightweight and extremely rugged design that's easy to carry.
- The waterproof Recon weighs just 490 grams, and exceeds rigorous military standards for drops, vibration, humidity and altitude.
- The Recon features the high-performance 200 MHz or 400 MHz Intel X-Scale processor, a colour display with front light, 64 or 128 MB of RAM and 64, 128, 256 or 512 MB of non-volatile Flash storage to protect data from resets or even complete power loss.
- The operating system, Windows Mobile 5.0, gives unmatched performance.
- The Recon works wherever and whenever you need it.
